

CTEIS User Group Conference Call
Wednesday, March 11, 2020
9:00 – 10:00 am
Notes from Conference Call

1. Roll Call of CEPDs. (See attached)

2. PTD Technology Update

- Section 61b Reporting – Friday, March 13th is the deadline for reporting all CTE Early Middle College (EMC) and CTE Dual Enrollment students into CTEIS. These students must be reported in their appropriate courses with correct UICs by close of business, Friday, March 13th – when the extraction will occur.
- Credential Pilot – will be released in stages. Currently, districts can only preview credential options – ability to enter credentials is not yet available. Eventually, districts will have the ability to pull up programs by PSN. Within PSN, districts can assign approved credentials to groups of students. (Note: some credentials apply to more than one CIP Code – some programs have NO credentials.)

An email was sent to districts with an attached spreadsheet, containing two work sheets -- approved credentials/non approved credentials. Manuals will be forthcoming. The import function is anticipated to be available next week. Credential codes will be used for import functionality, to help match credentials to students.

It was discovered that many of the CTEIS Users on the conference call did not receive the email described above. PTD will create a link to the credential page, so that anyone who didn't get the email will be able to access it.

- May 15th deadline to enroll all students in CTEIS course-sections. Students must be enrolled in at least one course-section, with a good UIC, by this date. (It is not necessary to run the validation by May 15th.) This early deadline is required in order to check CTEIS student data against other State systems.
- New Dashboards – PTD is working on Enrollment Dashboards to display the data currently found in the X0503 and X0506 reports.

Shannon really likes the Dashboards that PTD has created for CPIs, and wanted to know if PTD could do Pivot Tables for the Enrollment Data. Doug needs to know what kind of data would be helpful. (If you have ideas, please email Doug at PTD.)

3. Questions and Discussion

- Credentials - The deadline for entering students' credentials is **August 31, 2020**. Please report credentials for all students (regardless of grade level) by August 31st. FYI, students who earn a credential and graduate as concentrators in 2019-20, will be included in the Perkins 5S1 Core

Performance Indicator data for the 2020-21 reporting year. (Definition of 5S1: the percentage of CTE Concentrators graduating from high school, having attained a recognized postsecondary credential.)

- Jill recently met with the Work-Based Learning (WBL) Referent Group. Since WBL data will be tracked by student within course, Jill wondered if it would be easier to upload WBL data the same way as grades – or if WBL should be a completely separate upload. (The group seemed to be split – so may need both options for uploading WBL.)
- Kathleen asked about the WBL range. There are four categories of Work Based Learning. WBL experiences range from none to Level 4.
- Cheryl wondered what happens if a student has been assigned more than one Work Based Learning experience. Doug indicated that CTEIS will determine (based on established criteria) which WBL experience to keep.
- Jill reminded everyone that Work Based Learning data submission will not be implemented until the 2020-21 school year.

As Always... We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

Please see the PTD Technology website below for Minutes of past conference calls and additional information.
