

CTEIS User Group Conference Call  
Wednesday, September 18, 2013  
9:00 – 10:00 am

**Notes from Conference Call**

1. Roll Call of CEPDs. (See attached)
2. PTD Technology Update

- **CTEIS 2014 Upgrade.**

The new CTEIS was pilot-tested in late August through early September, and will be rolled out in three phases. The next phase will include:

- Expenditure Data Entry and Review
- New Programs Data Entry
- Various Other Reports

CTEIS 2014 contains a new hierarchy system that is flexible, based on district needs and FERPA compliance. The fiscal agency Level 5 Authorized Official has the power to grant individuals CTEIS access to their data, and specify the range of access, by assigning them:

- **Level** (1, 2, 3, or 4)
- **Modules** (Enrollment/Funding, Expenditures, Follow-up, Programs)
- **Operating Buildings** (specify)

The Level 5s also assign themselves a level of CTEIS access. Some Level 5s like full control, including the ability to enter data. Others do not want that level of control, and can select the Level 1 role (Reports Only) - while retaining Level 5 authority.

Doug indicated that the CTEIS 2014 design allows a number of solutions that were not possible in the older system. CTEIS users will no longer need more than one MEIS account to view and access information for different levels. CTEIS users that currently have multiple MEIS accounts will be contacted by PTD Technology to determine which account they want to keep – and the access information will be consolidated into that account.

The Tech Prep Report was released yesterday and is currently only accessible by the Fiscal Agency Level 5 Authorized Officials. In the future, we plan to make this report available to the CEPD Administrator Level as well.

CTEIS training has been well attended, and is going well. Expenditures training is scheduled for October. Most feedback has been pretty positive. There have been a few unique issues that are being addressed. CTEIS users are encouraged to submit any ideas for improvement to the CTEIS Help Desk for consideration.

**Reminder:** Please contact PTD Technology regarding any issues with CTEIS 2014, so that a ticket can be created for resolution.

### 3. Issues from CTEIS Users

- Mary Porter (CEPD 12) – is experiencing issues with managing students for her technical center. Doug asked her to contact their office, and they would look into it.
- Sharon Weidmayer (CEPD 43) – had a question concerning special populations students for the 2011-12 school year – she can't identify them through the building reports function. Doug indicated that there may be some alignment issues, due to building-district or user relationships. Doug asked her to contact their office, and they would look into it.
- Steven Billes (CEPD 39) – had a number of small issues. Doug asked him to email the issues to the CTEIS Help Desk, so that they could be ticketed and logged for resolution.

Steven asked why there is still a Tech Prep Report, as the funding stream stopped years ago. He also wanted to know where the current year's information came from. David indicated that the Tech Prep model is also our Programs of Study (POS) model. Although Perkins Title II funding was eliminated, the U.S. Department of Education still requires that states report on the performance of Tech Prep students for the Title I Perkins Core Performance Indicators at both the secondary and postsecondary levels. OCTE identifies secondary Tech Prep students, based on the Program Serial Numbers (PSN) reported in the annual regional secondary Perkins application (on the Program of Study page). Many secondary partners use the Tech Prep Report in CTEIS to provide their postsecondary partners with a list of secondary Tech Prep students, so that the postsecondary partner may identify those who have enrolled at postsecondary institutions, and report for the postsecondary indicators.

Steven also asked if courses with the *same course code* would be allowed in CTEIS. Doug indicated that this might be an issue if they were in the same building, but wasn't certain. Doug asked him to email the issue to the CTEIS Help Desk, so that they could check into it.

- Patty Gabos (CEPD 7) – asked for confirmation of her understanding that student enrollment must be entered in CTEIS by May 15, 2013 in order for districts to be eligible for 61a(1) funds. David confirmed that May 15, 2013 is the correct deadline for students to be enrolled in CTEIS course-sections (and MSDS fields must be up-to-date) to be eligible for 61a(1) funds.

If students are not enrolled in at least one CTEIS course-section by May 15<sup>th</sup>, they will **not** be included in the **CTEIS/MSDS match** – and the student will generate a “*No MSDS Record*” error, which will prevent validation of the report – until the student record is removed.

Students must be enrolled in at least one CTEIS course **to be included in the match to MSDS**, so districts should err on the side of enrolling students in CTEIS course-sections, so that their students are matched to MSDS. If needed, the district may remove or revise students **after the match has occurred**, with no negative impact on the report validation. However, **adding** a student to a CTEIS course-section (who was not enrolled in any CTEIS course-section **prior to the last MSDS match date of May 15<sup>th</sup>**), will produce an error and prevent validation of the report.

**Please Note:** Although districts must have their students **enrolled in CTEIS course-sections by May 15<sup>th</sup>**, the 4483 will continue to be available to make modifications to student, teacher, and

course-section information, and to *enter course-section grades* for those students - - until the ***June 26, 2013 deadline***.

- Colleen Creech (CEPD 4) – indicated that CTEIS currently brings up **all** courses from every fiscal agency for which a particular CTEIS user has been granted access - displayed in one gigantic list! For CTEIS users who manage more than one fiscal agency, this list of courses can be overwhelming (153 in her case), and difficult to manage. Doug indicated that this issue was discovered during pilot testing, and is at the top of the list for resolution. Once corrected, CTEIS users will be able to *select a fiscal agency* (one at a time), to make the list more manageable.
- Jackie Leonard (CEPD 44) – asked if CTEIS could be modified to allow enrollment changes to occur from a student record—instead of through the course edit function. Doug indicated that this might be possible, and asked her to send an email request, so that they could look into it.
- Jennifer Perry (CEPD 42) – asked if the import function would now allow updates to the grades and dates. (In the past, they were forced to hand-enter grades.) Doug indicated that he will check into the rules governing the import function, as the parameters may need to be adjusted to allow such an upload. (Jackie indicated that this feature would also be helpful to them.)
- **As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.
