

2023 Follow-Up Survey of 2022 Concentrators – Mail Survey Form

Former Students:

In order to meet state and federal funding requirements, we're contacting students who took CTE programs in high school to check on their progress. We ask that you please take a few minutes to answer the following questions about what you're doing now and return the survey in the enclosed, prepaid envelope. **All responses will be kept confidential.** Complete each item by filling in the numbered circle corresponding to your answer (if your answer is ①, please completely fill in the circle like this ●).

Our records show that you took the program(s) listed below. If there is more than one program listed, we need you to choose one to refer to when answering the survey questions. If you are pursuing one of these programs more than the others, please select that program.
