

CTEIS User Group Conference Call  
Wednesday, September 19, 2012  
9:00 – 10:00 am

**Notes from Conference Call**

1. Roll Call of CEPDs. (See attached)

2. PTD Update

- **4483D Training.** Training schedules for the 4483D (Enrollment) and 4033 (Expenditures) have been posted on the PTD website. Training sessions are going well. CTEIS is now open for 4483D enrollment data entry. We strongly encourage CTEIS Users to get started with their data entry as soon as possible.
- **4483D Improvements.** CTEIS Users now have the ability to import courses. Also, in the ***Program Enrollment Screen***, each student's enrollment history (which previously only displayed your district's segments) has been expanded to include segment data reported by all districts – so that the entire student's segment profile is displayed. This information can be seen on the *Students Eligible for Assessment Report*. Over the next couple months, PTD Technology will be working on additional improvements to CTEIS.
- **Follow-Up.** All Follow-up Reports (X0610, X0611, X1608) and CPI (Core Performance Indicator) Reports are in the final stages of review for accuracy. They should be available by the first or second week of October.

3. OCTE Update

- **Data Download Dates.** David indicated that OCTE will download CTEIS student data to provide to our Assessment vendors on the following three dates:

**November 30, 2012**

**January 11, 2013**

**March 26, 2013**

This data is useful in the identification of students – so that assessment results can be accurately linked to the correct students.

4. Issues from CTEIS Users

- Sharon Weidmayer expressed concern that segments for courses taken last year (2011-12) were not showing up on the *Students Eligible for Assessment Report*. Doug indicated that the 2011-12 segment data is currently being verified, and will be added to the production site as soon as the review is complete.
- Steven Billes asked for clarification of the new *importing courses* feature that is now available in CTEIS. Doug indicated that CTEIS Users now have the ability to create an Excel spreadsheet or comma-delimited file for uploading. Written specifications and a sample template will be available in the import section of CTEIS. Steven asked if staff (in addition to the primary instructor) can be entered and uploaded through use of this import tool. Doug didn't think

additional staff are currently included, but will look into revising the program to allow additional staff to be entered.

- **As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems, concerns, and errors.

**Please see the PTD Technology website below for Minutes of past conference calls and additional information.**
