

CTEIS User Group Conference Call
Wednesday, January 25, 2012
9:00 – 10:00 am

Notes from Conference Call

1. Roll Call of CEPDs. (See attached)
2. OCTE Update
 - **Redefined Segments for Auto Technician (CIP Code 47.0604)** – Segments for the Auto program have been redefined. Below are the 12 segments that a student must successfully complete in order to be considered a program *completer*.

Automotive Segment Titles – CIP Code 47.0604 (Effective Fall, 2013)

1. Employability Skills, DL, and Industrial Safety
2. **Electrical**–General Electrical Systems, and Theory and Operation
3. **Electrical**–Battery Diagnosis and Service
4. **Electrical**–Starting and Charging Systems Diagnosis and Repair
5. **Electrical**–Lighting Systems, and Horn and Wiper/Washer Diagnosis and Repair
6. **Electrical**–Gauges, Warning Devices Diagnosis and Repair
7. **Electrical**–Accessories Diagnosis and Repair
8. **Brakes**–General Brake Systems Diagnosis, and Hydraulic Systems Diagnosis and Repair
9. **Brakes**–Drum and Disc Brake Diagnosis and Repair
10. **Brakes**–Power Assist Units Diagnosis and Repair
11. **Brakes**–Miscellaneous (Wheel Bearing, Parking Brakes, Electrical, etc.) Diagnosis and Repair
12. **Brakes**–Electronic Brake, Traction and Stability Control Systems Diagnosis and Repair

Engine Performance and **Steering & Suspension** are considered *advanced* training, and will be reported as *Segment Q*.

Like all other wage-earning programs, a student must be a program *completer before* they are eligible to take advanced training – Segment Q. So in the case of the Auto Technician program, students must first complete all 12 segments above (Electrical and Brakes content area) to be considered a program completer. After they have successfully completed these 12 segments, they will be eligible for Segment Q (Engine Performance and/or Steering & Suspension).

OCTE wanted input from the group regarding *when* these redefined segments should be implemented (spring 2012, fall 2012, or fall 2013).

The point was made that because Auto Technician programs are on a two-year rotation cycle, the instructors will need time to transition their classes so that the Electrical and Brakes content is taught *before* the advanced training (Engine Performance and/or Steering & Suspension) occurs.

Ralph Hansen and Penny Miller-Nelson expressed concern that students will not be able to successfully complete both the Brakes and Electrical content in a year. Glenna indicated that there will be opportunities in the future for a more in-depth discussion of the Auto Technician program. Penny also requested that OCTE provide a clear explanation of Segment Q.

Segment Q – If a student has completed courses covering all 12 segments of a program with a grade of 2.0 or better; has taken the assessment test (if applicable); has become a **completer** **AND** is enrolling in additional courses for that program – that student is eligible to be enrolled in Segment Q. **Please note**: course subsections reporting Segment Q can have no other segments in them, and only students who are *completers* in that program may be reported in Segment Q subsections.

Based on input from the group, OCTE will wait until ***fall 2013*** to roll-out the redefined segments for the Auto Technician program.

3. PTD Update

- **CTEIS Training** – Follow-up training starts next week; 4483D training begins in March.
- **UIC Checker** – Over the last weekend or so, CEPI made revisions to the UIC Checker and was taken down until the revisions were complete. The UIC Checker is back in operation now, and should be in good working order.
- **Follow-up Lists** are now available. This list is comprised of students that have completed all 12 segments of a program with a grade of 2.0 or better, and have taken the assessment test (if applicable).

PTD has received many calls concerning students (thought to be completers) who did not appear on the Follow-up List. Often, the reason this occurs is that the student's segments were not accurately reported on the 4483D – so the student did not receive credit for completing all 12 segments.

The most common reporting error occurs when students are mistakenly enrolled in the **same subsection** for ***both 1st AND 2nd semesters***. Therefore, the students only receive credit for the segments taught in that one subsection, and never attain completer status.

Unfortunately, this kind of mistake is seldom discovered until the Follow-up List is generated – too late to change students' segment profiles. OCTE and PTD Technology would welcome ideas for some kind of report that could be generated to alert CTEIS Reporters to this type of error – in time for correction. PTD Technology is doing their best to educate CTEIS Reporters concerning accurate reporting of segments. After enrollment data has been entered, CTEIS Reporters are strongly encouraged to have their instructors review the class lists to verify accuracy of enrollment and segment data.

It is important to note that CTEIS Reporters are often unfamiliar with curriculum content and segment data, so are not able to easily recognize reporting errors of this nature. CTEIS Reporters are reliant upon the ***instructors*** to provide clear direction regarding segments taught in each subsection, identify students that belong in each subsection, and to verify the accuracy of segment data entered in CTEIS - before the 4483D is submitted.

If you have students that completed a program, but did not appear on the Follow-up List, you can use the following steps to review the segment data submitted for them:

Log into CTEIS (www.cteis.com)

Select: *Manage Students*

Select: *Program Enrollment*

UIC	First Name	Last Name	DOB	Gender	Send Fac
3064543169	WAVI	AZDSAC	05/16/1995	M	Anchor Bay High School

Review the student's segment profile - has the student completed all 12 segments??

Program History for WAVI AZDSAC - 3064543169

If you have further questions as to why specific students did not appear on the Follow-up List, feel free to contact PTD Technology for help at 1-800-203-0614 ext. 127.

MSDS Records Requirement - All CTEIS student records have now been updated with this year's MSDS data (grade levels, special populations, etc.).

Beginning this year (2011-12) districts will only be able to report students on the 4483D in CTEIS that have a ***current MSDS record*** (current MSDS records are those submitted for students on either the fall 2011 or spring 2012 MSDS collection, which will include the maintenance collections when pulled.) **Students who do not have a current MSDS record will generate an ERROR ("MSDS Student Data Not in Current School Year"). This error will prevent submission of the 4483D until it is corrected (or the student is removed from CTEIS). Students whose MSDS records are NOT current, will NOT be eligible to receive Section 61a(1), Added Cost funds.**

As a preventative measure, there is an ***Expired Students Report***, available in CTEIS, which lists students that have been reported in CTEIS, but have an ***expired*** (not current) MSDS record. To prevent the loss of funding, please run the ***Expired Students Report*** early in the year (and often) to make certain that your MSDS records are accurate and up-to-date.

Please do not wait until the end of the year to begin entering 4483D data and risk jeopardizing Section 61a(1), Added Cost funding!!

4. Issues from CTEIS Users

- Julie Eddy asked when the approved Less-Than-Class-Size (LTCS) contracted programs will be entered into CTEIS. They are currently scheduled to be entered by the end of January.
- Steven Billes indicated that some of the Core Performance Indicator (CPI) data that showed up on his printed report - was missing from the Area Totals. Steven will email the details to David, so that he can check into the problem.
- **As Always...** We encourage the CTEIS User Group, as representatives for their CEPD, to share information gleaned from these conference calls with other CTEIS Users in your respective CEPDs. Forwarding the Notes and information received from the conference calls is a good way to keep everyone informed, and may help to reduce problems and concerns.
- CEPD Administrators were invited to attend this month's web/audio conference to obtain their input - participants included: Linda Blankenship, Paula Fortino, Ralph Hansen, Patricia Jackson, Kris Jenkins, Penny-Miller-Nelson, Shawn Petri, Doug Pummell, Brian Sarvello, Ronald Stec

Next CTEIS User Group Conference Call

Wednesday, March 21st, 9:00 a.m.

CEPD Roll Call - CTEIS User Group

***Note:** If you participated in the **January 25th** conference call, and your name is not checked, please email Joan Church to be added to the attendance list.
